

5TH INTERNATIONAL CONFERENCE ON MANAGEMENT
Management, leadership and strategy for SMEs' competitiveness

to be held at the
Szent István University, Gödöllő,
18-19th June 2015

organized by
Szent István University, Gödöllő, Hungary, Faculty of Economics and Social Sciences

in cooperation with
Częstochowa University of Technology, Poland, Faculty of Management
Slovak University of Agriculture in Nitra, Slovakia, Faculty of Economics and Management
Mendel University in Brno, Czech Republic, Faculty of Business and Economics

This is the 5th event of the International Conference on Management (ICoM) conference series which was started in 2011, with the idea to bring together scientists, researchers, students as well as the representatives of the business sector to exchange and share their experiences and research results about contemporary management issues. An additional goal of the conference is to provide a place for academicians and professionals with multi-disciplinary interests related to organization, business and management issues.

Conference topics:

1. business strategies, planning and management
2. management and evolution process of SMEs
3. role of human resource in the efficient operation of companies
4. human capital, social capital and intellectual capital
5. motivation of human resource
6. knowledge management
7. leadership and corporate governance
8. management of conflict, negotiations and mediation
9. change management and crisis management
10. risk management
11. new trends in marketing
12. management and innovation in agriculture
13. competitiveness of agricultural and food processing enterprises
14. sustainability aspects of production
15. quality and safety in food industry

The official language of the Conference is English with no translation.

All the information about the conference can be found at the website of the conference:

<http://icom.gtk.szie.hu>
