Call for papers: New Techniques and Technologies for Statistics (NTTS) 2015 (Conference in Brussels, 10-12 March 2015) - special section of SJAOS, special issue of EURONA

Dear colleague,

New Techniques and Technologies for Statistics (NTTS) is an international biennial scientific conference series (organised by Eurostat) on new **techniques** and methods for official statistics, and the impact of new **technologies** on statistical collection, production and dissemination systems.

The NTTS 2015 conference will take place from **10 to 12 March 2015** in **Brussels**. For details on the event please refer to the conference homepage (<http://www.NTTS2015.eu>).

Call for papers to NTTS 2015

The NTTS 2015 Scientific Committee welcomes the submission of abstracts within all areas of relevance to the conference. The deadline for submission of abstracts is **27 October 2014**.

Call for papers to special NTTS section of the SJAOS

The NTTS 2015 Scientific committee is pleased to announce, in collaboration with the editor-in-chief of the Statistical Journal of the International Association of Official Statisticians (SJAOS), that papers presented at NTTS 2015 are eligible for submission to a special NTTS section of the SJAOS.

(For details, please refer to <http://www.cros-portal.eu/content/special-sjiaos-section-ntts>).

Call for papers to a special NTTS issue of EURONA

The NTTS 2015 Scientific committee is pleased to announce, in collaboration with the editorial board of the Eurostat Review on National Accounts and Macroeconomic Indicators (EURONA) that papers presented at NTTS 2015 treating issues related to *national accounts and macroeconomic indicators* are eligible for submission to a special NTTS issue of EURONA.

(For details, please refer to <http://www.cros-portal.eu/content/special-eurona-issue-ntts>).

Important administrative information for prospective authors:

- E-mail submissions are NOT accepted, only abstracts submitted via the online submission interface (<http://www.cros-portal.eu/content/ntts-2015-abstract-submission>) will reach the NTTS 2015 Scientific Committee.

- The submission form is only available to logged in, registered users of the CROS (Collaboration in Research and Methodology for Official Statistics) portal (you can register to CROS for free via <http://www.cros-portal.eu/user/register>).

Best regards,
